Sugarcreek Township Schools

Franklin, Pa.

Mac Nettler
Freshman 1951-1952

Dedication

Education of the whole child calls for a warm and well ventilated building, clean walks in snowy weather, a clean environment for the educational experience. In short, the best education can be accomplished only when the best of safety precautions, sanitary conditions, and pleasing appearance of the physical plant are maintained.

We at Rocky Grove feel we have had just that due to the untiring and never failing efforts of Samuel Confer who retired December 15, 1951.

Mr. Confer came to Rocky Grove as head janitor in October 1934, and was made superintendant of buildings for all of Sugarcreek Township during the 1946-47 school term.

In Memoriam

Mr. Arden Allen served as School Director of Sugarcreek Twp. Schools from 1944 until his death in 1951.

He was President of the Board in 1948.

Prior to serving on the Board Mr. Allen was an employee of the District as a member of the custodial staff from 1933 until 1942.

Mr. Allen was keenly interested in young people and had a great interest in the activities of the school, particularly in athletics.

Mr. Allen was proud of the schools of the Township and their accomplishments, and was ever ready to proclaim their merits.

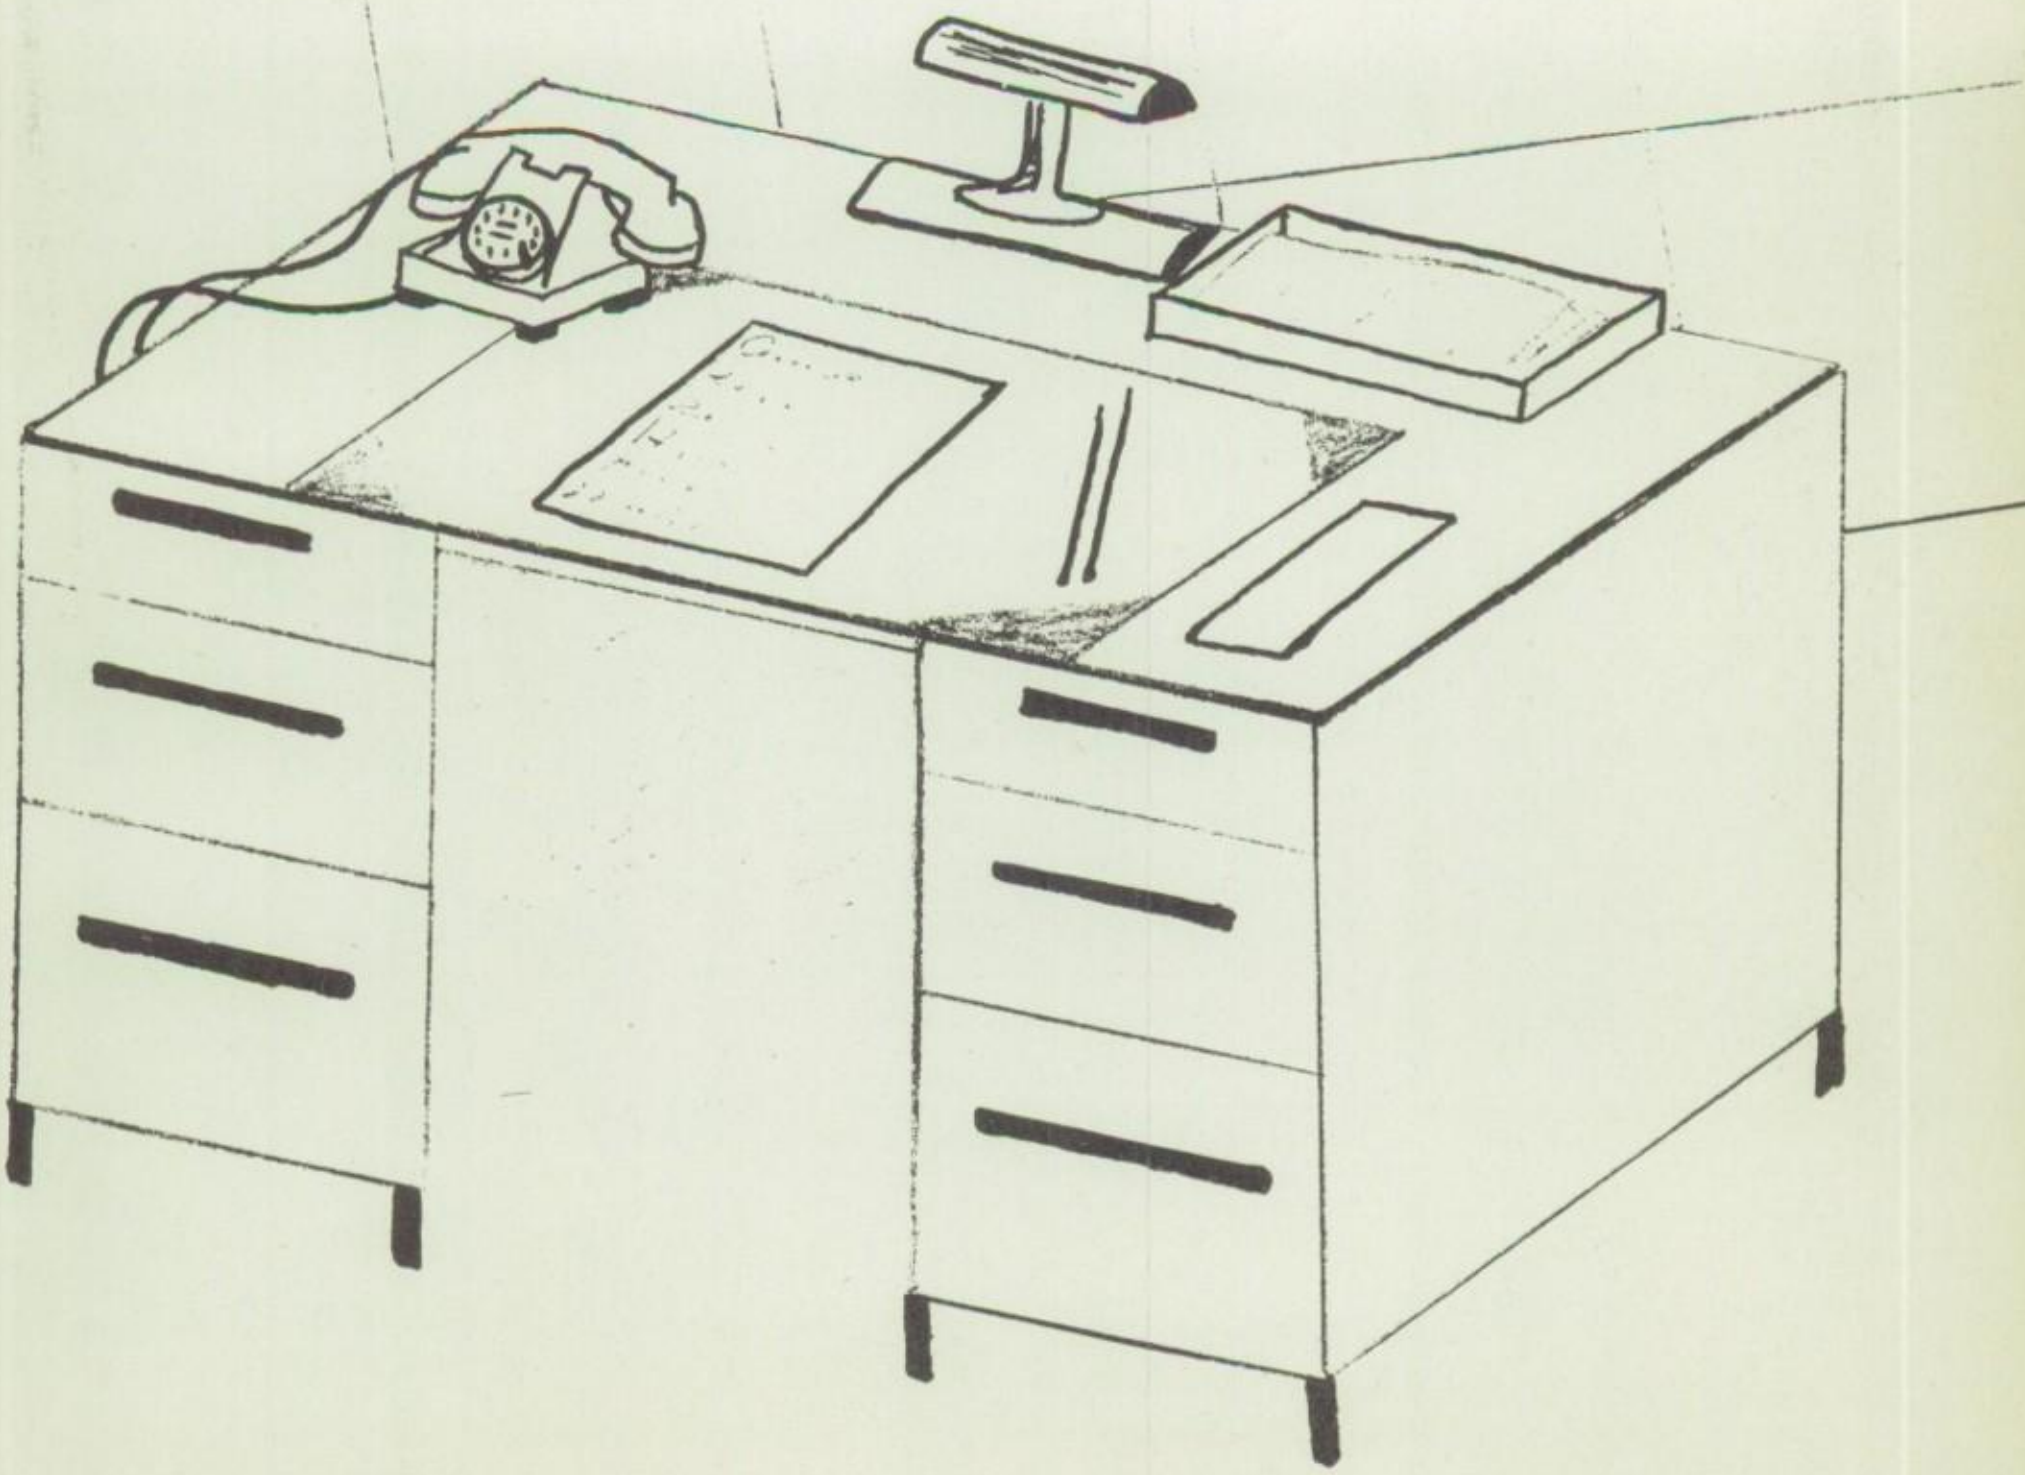
Administration



SUPERINTENDENT
R. Glenn Carter

MR. CARTER, a life-long resident of Rocky Grove and former graduate, now is the highest administrator of our school today. He has imparted to school and student body his many fine qualities in a highly successful admixture of wisdom, sincerity, humanity and truth. All of these many fine attributes which are his, can be seen reflected in the entire school community and has made itself felt throughout the area as seen by our fine reputation. Many glowing tributes could be paid to Mr. Carter, we feel. To a man of such simplicity and sincerity, we can say only "Thank you for your wise, considerate and beneficial guidance." We will always associate him with our most pleasant memories of school days.

MR. ALDERSON has won and earned respect and sincere friendship of all of us. He is thought of not only as a competent and efficient administrator, but also as a wise, sympathic and true friend. Mr. Alderson has initiated some new ideas, since coming to Rocky Grove, which have proven highly popular and successful in our school program. He originated the idea of noon-hour movies, and gave much time and effort to the formation of a Projection Crew. One of his pet projects has been watching the maturity and growth of the F. T. A.. He also has fit into our school philosophy of cleanliness and high standards and has contributed much to our good sportsmanship and friendly spirit of well-being.
